

PT KALTIM BAHANA ADHIGUNA

In Shipping, in addition to the business handled directly by itself, BUL also established PT KALTIM BAHANA ADHIGUNA which is a cooperation scheme engaged with PT Pupuk Kalimantan Timur and PT Bahtera Adhiguna.

At present PT Kaltim Bahana Adhiguna is focusing on serving the internal need of PT Pupuk Kalimantan Timur which includes transport of goods property of PT Pupuk Kalimantan Timur from Jakarta to Bontang, agency of the ships berthing at PT Pupuk Kaltim port, ship anchoring, maintenance of buoys in Kaltim port and warehousing.

After more than fifteen years serving the needs of PT Pupuk Kalimantan Timur based on the experiences gained from such activities, PT Kaltim Bahana Adhiguna has at present been prepared to develop itself to enter into the general shipping business by transporting other cargoes.
